Mainland Campaign Makes Great Team of All-Chinese

Clean, Fast Work Developed and Much "Inside" Ball Is Learned—Apau Had Benefit of Ed Walsh's Coaching

Seasoned by a schedule of games on the mainland as long as the playing schedule of a big league team, taught a lot of "inside" ball by contact with some of the crack amateur and semi-professional nines of the United States, the All-Chinese baseball team shapes up several hundred per cent better today than when it left Honolulu for its long campaign across the water.

In fact, the team that walloped the stuffing out of the Hawaiians last Saturday was perhaps the best team in the islands and undoubtedly one of the best Honolulu has ever produced.

This is high praise, but the work of the team last Saturday justifies it. If the Chinese ball tossers keep up anything like the pace they set yesterday, they ought to make grand running for any of the local aggregations.

It is a well-balanced team. The steady playing day after day, on all kinds of diamonds, against all kinds of pitchers, the discipline of having to play away from home under adverse circumstances, has developed the Chinese into a team that works together better than a team in Honolulu has done for years.

The fielding of the Chinese was superb last Saturday, the infield being especially fine. The infield handles ground balls cleanly and fast and time and again the men around the sacks cut down what looked like sure hits. Some idea of the quality of this infield may be had from a look at the box score, which shows twelve assists and only one error, that one being charged to Apau on a bad throw to base.

Both infield and outfield are strong defensively. In fact, the man who did not make the trip, playing center field in his customary sure way.

Apau and Kan Yen are a splendid battery. Apau's improvement will be a revelation to the fans who remember his pitching before he left on the trip. He is still the same ball for city for work may be gained from the fact that although he pitched three of four games a week all through the country-wide tour, he came back weighing 176 pounds and apparently stronger and faster than ever.

Apau got the benefit of some fine coaching from great pitchers on the trip. At Chicago he met the greatest spit-ball pitcher in the game, Ed Walsh, the "Big Reel" of the Chicago White Sox, and Walsh taught him the principle of the famous "spitter." Apau used his spitter a good deal on Saturday. He has a fair spit-ball and is fast mastering it. When he shoots it over fast, it has the deceptive break that no batsman can hit consistently, but his slow spitter still needs improvement.

In other respects Apau is much better than when he left. He doesn't take an inning or two to get warmed up any more. Right from the start he can pitch good ball. He is not a strike-out artist, but the batters find it very hard to hit him safe. He has a good change of pace. Three of the six hits on Saturday were scratches, and no one was met squarely. He works the corners of the plate in good shape and most of the hits are easy grounders or slow flies that are no trouble to field.

Kan Yen is going to be a sensational catcher if he keeps up the kind of form he showed Saturday. He has developed an easy swing that sends the ball across the diamond like a shot and he threw out several runners Saturday.

Apau on the offense, the team is mighty strong. Then of course the boys weren't up against much in the pitching line last Saturday, for Williams didn't get his best balls to working, but the Chinese are batting hard against any kind of pitching. They meet the ball square on the nose and it has the right kind of ring as it leaves the bat. They run bases with judgment and show the effects of their games against mainland teams.

The Chinese have learned a great deal from the mainland trip and are expected to be a big baseball attraction here.

PORTUGUESE AND ASAHIS ARE WINNERS

Brace of Upsets in the Senior League Hides Interest Crowd of Fans

Two unexpected things happened in the Oahu senior baseball league yesterday, the first being a shut-out administered to the Stars by the Portuguese team, and the second being a losing handed to the J. A. C. by the Asahis.

Both games were good, the umpiring was good and there was enough run-making to keep up a lot of interest. The first session was a pitcher's battle between LaMere and Barney Joy in which honors were fairly even, although Joy was round for hits when he should have tightened up. Errors helped get men on bases and then the Portuguese came up and cracked 'em some, bringing home the welcome tallies. The P. A. C. scored their runs in the third and eighth innings. La Mere held the Stars safe when they began to look dangerous, striking out Joy twice, once with the bases full. Joy retaliated by striking out LaMere three times.

Asahis Beat J. A. C.

In the second game of the afternoon, the Asahis won by a score of 9 to 7, in and out baseball characterizing the playing. The J. A. C. presented a patched lineup. Hampton at second base was pretty near the whole show, both in hits and errors. He worked like a Trojan for his team. Some of the other J. A. C. players appeared listless and indifferent. The Japanese won by sousing the ball hard in the pinches, running up

M'KINLEY HIGH WINS PRACTICE FOOTBALL

Eleven Gives Promise of Being Hard Team to Beat This Year

The McKinley High football team won its first practice game of the season by defeating a town team on Makiki field Saturday afternoon to the tune of 24 to 0. It was simply a practice game to try out the material and no official score was kept.

The Highs were a little outclassed in weight, but nevertheless they held their own with ease and pulled off several plays, the greater number of which the town team "was unable to break up. The Highs have a strong line, but all they need is a little more speed, and when this difficulty is overcome it will be the best team the school has turned out since the time Bill Rice graced the gridiron.

The town team put up a good game, but were unable to penetrate the High's line. "Bill" Ross and "Midget" Littlejohn, former High Stars, played in their old time form and several others who have taken part in High School athletics were out.

From the outlook of the practice game Saturday, the Highs are going to win this year. They have a lot of material, both new and old, and a coach who knows the game and the new rules, and if they get a little more speed into their line they can make good. On the defensive, their line stands hard, but on the offensive they are slow to move. The back field is working well and made very few fumbles during the game.

Cassidy, who played full-back in the game, and who has not played football for some time on account of a recent injury, will no doubt be one of the mainstays of the team this year. Brash is another man whom the team will depend upon this year.

As yet, Captain Dyson is not ready to announce the lineup. This will probably be done a day or two before the first game, which is scheduled to take place next Saturday.

MANOA TENNIS CRACKS ARE AGAIN BUSY; FAST SINGLES TOURNEY ON

The first round of the Manoa Tennis Club tournament was finished Saturday afternoon and evening, and part of the second round of the present single tournament was played. The matches were well played and brought much applause from those present who are enthusiastic followers of the game.

Following the games in the afternoon a number of the matches were played by electric light during the evening. The third round will be started October 26, at which time the remainder of the second round must be finished. After the completion of the third round the semi-finals will be played and then the finals.

The results of the first round matches are as follows: Leslie Clark won from Fred Lyser, 6-1, 6-2. W. G. Singlehurst beat D. Bicknell, 6-4, 6-4. Ernest Ross beat Austin Jones, 6-1, 6-1.

F. E. Steere won, by default, from C. R. Hemenway. Malcolm MacIntyre won from C. H. Clison, also by default. The matches of the second round which were played resulted as follows:

R. B. Rietow won from Ernest Ross, 8-6, 6-2. Malcolm MacIntyre beat H. Beadle, 7-5, 7-5. W. A. Greenwell beat Donald Ross, by default.

Much interest is being aroused in a match race to and around Bird Island to be sailed between the yawl Molilou and the yacht Hawaii. Kenneth Brown will handle the Hawaii, and F. B. Smith the Molilou. On account of the difference in length measurements of the two crafts, the Hawaii will allow the Molilou forty-four minutes and twelve seconds. A short time ago the Molilou put up a great race against the fast yacht Kamehameha in the two races to and from Kahului and many are confident that she will do the same to the Hawaii.

Both skippers are experienced sailors, and place the greatest confidence in their crafts.

ALL-CHINESE IN OVERWHELMING VICTORY

Run Up Seventeen Runs on Hawaiians in First Appearance After Long Trip

Slamming the ball hard and taking advantage of many misplays by their opponents, the All-Chinese team made its first appearance since that record-breaking mainland trip in a game with the Hawaiians Saturday afternoon, the Chinese, running up seventeen runs to a lonely tally for the Hawaiians.

This lonely tally was really unearned. Umpire Walker called a balk on Pitcher Apau in the first inning, letting W. Desha walk home from third. The decision is discussed elsewhere. In the opinion of many close followers of baseball and of the scoring rules, the balk should not have been called. At any rate, it saved the Hawaiians from a shutout. They never had another chance to circle the sacks.

The story of the game is simply one of hard hitting and fast fielding by the Chinese and weak hitting and generally loose playing by the Hawaiians. The Hawaiians really are capable of much better ball than they showed last Saturday but they were unfortunate in having the breaks against them. Without detracting from the great playing of the Chinese, it should be said that the Hawaiians failed to do themselves justice.

The Chinese were first at bat and started off at a fast clip. Pitcher Williams began, shooting fast; ones across the plate and the Chinese took kindly to his offerings. Ayau first up, doubled to left, went to third on a bad throw to catch him at second and Captain Albert Akana came through with a ringing double to right center. Akana scored on a ball that got through Catcher Raphael. Two runs.

The Hawaiians' lone tally came in this inning also. W. Desha walked and went to second on a wild pitch, continuing to third on a poor throw to get him at second. With A. Desha at bat, Apau, the Chinese twirler, made a sudden step toward third, whirled and shot the ball to first to catch McIntyre who had walked. Umpire Walker called the motion a balk and W. Desha was allowed to score. A big howl went up from the Chinese but his Umpire stood firm and the run counted. That was all the scoring for the Hawaiians.

The Chinese came back in the third with three more runs, Lai Tin getting first on Franco's error and scoring from second on Kan Yen's hit to left. L. Akana walked and Asam scored Kan Yen with a hit to third. Apau hit through Franco, scoring Asam. Chillingworth ended the inning with a good catch of Ayau's hard liner.

In the fifth Lai Tin hit through short and Kan Yen got a life when W. Desha dropped his fly. It was a ridiculous error. Lai Tin tore to second on the wild throw that Desha followed with and then continued to third, going home on an error. L. Akana followed with a corking three-base hit that dropped almost at the centerfield fence and Asam scored him with a hit to D. Desha, who fumbled the ball. Errors around the

Big Punahou Squad Put Through Paces For Game

Oahu Coaches Have Wealth of Material to Meet McKinley Next Saturday

Punahou's football lineup this year beats all previous records. There are three teams this year and extra men for each team. In the practice games that have been played each team works like a well-oiled and perfectly running machine. They are getting team work down to perfection. They are looking forward to the game next Saturday with great anticipation and there is no doubt in their minds as to who will be victor. The coaches also place great confidence in the players.

The line-ups of the first, second and third teams this year are as follows:

First team—Ends, William Paris, Frank Markham, E. Liu; Tackles, William Luman, Allan Renton, Wren Timberlake; Guards, Stafford Austin, Gordon Brown, Arthur Gilman; Center, George McInerney, Harold Morgan; Quarterback, William Schuman (captain); Half Back, Ernest Baldwin, Harold Baldwin, William Coney; Full Back, William Hitchcock.

Second Team—Ends, John O'Dowda, Willard Ables; Tackles, Leweiwin Bertelmann, Lum Kim Wal, Allan Desha, Parker Woods; Guards, F.

Turner, Markham Bertelmann; Center, James Hind; Quarterback, George Quintal; Halfbacks, Hans Fassoth, Kenneth Bond, Kenneth Redford; Fullback, Claud King.

Third Team—Ends, S. Mott Smith, Frank Winter; Tackles, M. Tuttle, M. Campbell; Guards, D. Brown, P. Cooke; Center, G. Moir; Quarterback, J. Farrington, E. Tuttle; Halfbacks, G. Ballentyne, H. McInerney; Fullback, G. Lindley.

It is not positive that these men will hold the positions named above throughout the year, but they are the positions the men have been trying for and so far each one has made good and it has not been necessary to change any. However, when Coach Ricker made out the list he said: "This is a list of players that have been trying out for the various positions on the three teams. The final selection of men is not complete at this date. After a team has been picked we never hesitate to change players from team to team or from position to position when in our judgment the individual merits it."

The first football game of the season is to be played next Saturday on Alexander Athletic Field between Punahou and McKinley. There is no doubt but that it will be an excellent game as both teams are in fine trim. Punahou will have the advantage of home grounds.

BALK SHOULD NOT HAVE BEEN CALLED ON APAU

Pitcher Apau of the All-Chinese team brought home a new wrinkle from the mainland tour of his team. It is a trick to catch-m base-runners jumping, particularly when there are more than one on bases. Unfortunately for Apau, Walker the big colored player who was umpiring last Saturday's game, yielded to the protest of the Hawaiians and called the play a balk, and although the Chinese nine sided the rules and tried to continue, Walker, the play stood, inasmuch as Apau will probably try the same thing on some other umpire and if he gets away with it, other pitchers here will doubtless pick the trick up. It is worthy of explanation.

Apau pulled his play when there were men on first and third and a man at bat. He stood in the box getting ready to wind up for his delivery. Before making any pitching motion, however, he suddenly stepped toward third and made a motion as if to throw. The man on third (Lai Tin) stepped to his base and the man on first started to take a lead off. Apau "blowed through" his motion by stepping in his tracks and shooting the ball to first.

Whether he caught the man off first base or not doesn't matter now, because, listening to the Hawaiians, Umpire Walker declared the play a balk, let the man on first go to second and allowed the runner, at third, to walk home, scoring the only run for his side.

Now the pitching rules will hardly bear out our friend Mr. Walker. Under the heading "Balking" which in rule 34, the only two rules which might apply are these:

1. Any motion made by the pitcher while in position to deliver the ball to the bat without delivering it, or to throw to first base when occupied by a base-runner, without completing the throw.

2. Throwing the ball by the pitcher to any base to catch the base-runner without stepping directly toward such base, in the act of making such throw.

Apau made two motions and two steps—once set toward third and one step toward first. First base is the only base that has to be thrown to in order to complete the throw under Section 1 of the rule above. Consequently he didn't have to throw to third, and hence did not balk so far as third base was concerned, for it is agreed that he stepped toward this base in making the motion to catch the man there. He also stepped direct toward first and followed his motion by completing the throw. So he did not balk toward first.

It was a clever trick and too bad it was spoiled by the umpire's decision. Except for this, Walker umpired a pretty fair game and his decisions were generally well received.

In the opinion of the writer, the balk should not have been allowed, in which case the run would not have been scored. Of course the All-Chinese had a walkaway, so there's no use in getting up any hard feelings over the matter.

FAST BALL PLAYED IN JUNIOR LEAGUE

In the Oahu Junior league games at Athletic park yesterday morning, the C. A. U.'s beat the J. A. C.'s 1 to 1. The Chinese team was strengthened by having five of the players who recently made the mainland tour with the All-Chinese team. Luck Yee pitched a fine game throughout, striking out 11 men. INTER-ISLAND BOWLING LEAGUE OPENS WEDNESDAY

Beginning Wednesday night, October 23, the inter-island bowling league will start on the alleys of the Y. M. C. A. The matches will be played every Wednesday night until the series is finished, making a total of nine matches or twenty-seven games. The number of games will count in deciding the championship and the winning team will be pronounced the champion five-man team of the Hawaiian Islands. The trophy will be a handsome loving cup and is well worth working for. The "Y" league starts tonight with a match between the Expanders and the Breakers.

Following is a list of the members of the Inter-Island Bowling League of 1912:

Maul—W. Bal, Jr., C. A. Beall, C. C. Campbell, W. Chillingworth, E. F. Delbert, C. E. Myers, C. C. Savage, W. Scholtz, J. B. Thompson, Ben Williams.

Kauai—Walters, Maser, Crawford, W. H. Rice, W. Kuhlman, A. D. Hills, G. F. Winter, H. Morgan, A. Siebel, K. C. Hopper.

RATHER SEE DUKE THAN HEAR POLITICS

When Duke arrived at Lahaina he was given a great ovation by the crowd that lined the wharf and the beach, eager to get a look at the champion. He arrived at four o'clock in the afternoon and was met by all Lahaina and many of the residents of outside districts. He gave an exhibition of swimming and surfing to the delight of a large audience, and then started for Wailuku by automobile.

After a short stay at Wailuku he went to Puunene where he gave an exhibition swim in the big tank. Returning to Wailuku a dinner with plenty of music was given in his honor.

When Duke arrived at Puunene, a bunch of politicians were hiding a meeting, but they quickly dispersed to watch him give his exhibition in the tank.

Yesterday afternoon he swam at Hilo, and a course had been laid out for him on the Cocosua Island's side of the railroad wharf, where the water is still. The comforts of the party were looked out for by a committee from the Board of Trade. After the exhibition a big luau was given in his honor.

The Duke party will arrive in Honolulu Tuesday morning by the Mauna Kea.

POLO TEAM BRUSHING UP FOR COAST TRIP

A hard practice game played by the Greens, representing the polo team which will go to Coronado Beach California in January or February, resulted in the defeat of the Reds last Saturday afternoon by a score of 8-2 to 3-4.

Six full periods were played, and in the first chukka Harold Castle scored twice for the Greens. In the second each side gained a point apiece, but the Greens were penalized half a point on Harold Castle's play. In the third chukka each side scored a point and in the fourth the Greens scored another point. The Greens scored twice in the fifth and the Reds once in the sixth and final chukka the Greens scored twice, the Reds also coming in for a point, but being penalized a quarter of a point on a safety by Dave Fleming, making the total score 8-2 to 3-3-4 in favor of the Greens.

Another practice may be held today. A large number of people were out to see the game Saturday and some fifty automobiles stood on the sidelines filled with enthusiastic rooters. The play of the Greens was pronounced of a superior quality and when they line up against the crack teams at Coronado, it is expected that they will have more than a fighting chance. Saturdays game was refereed by G. C. Potter.

The players were as follows: Greens—W. F. Dillingham, Arthur Rice, Frank Baldwin and Harold Castle. Reds—Sam Baldwin, Dave Fleming, Collins and Harold Dillingham.
